WELCOME FROM TEAM LVC

Jacquart Events LLC (Producer), Innova Champion Discs (Title Sponsor), Disc Golf Pro Tour (Media Sponsor), Wildhorse Golf Course (Host), and Team Las Vegas Challenge (Volunteers), in partnership with the many other sponsors (see pages **48**, **50**, and **52** for details) are honored to present the 23rd Annual Las Vegas Challenge (LVC) disc golf tournament! The MPO & FPO divisions will be participating in the PDGA Elite Series DGPT Pro Tour, with this being the second year the LVC is an Elite Event, while the aged-restricted professional divisions and amateur divisions are participating in a PDGA A-Tier Event.

The 2022 format will mimic that used since 2016 (the year the LVC was moved from Sunset Park), with each of the ~570 participants playing all three temporary courses at least once, and only the top 40% of each division playing a fourth round in the Sunday finals. Should the LVC return to the DGPT Elite Series in 2023, it is anticipated that participants will only be playing two of the three courses, and possibly having the amateur divisions playing the prior weekend...**so there may be a significant change in the venue next year.**

The 135-acre Wildhorse property offers ample room for three premier course designs (each with their own “flare”); a large warm up area; a grand vendor tent; an indoor media, check-in, and VIP center; ample room for a player warm-up area; and a spectator arena (which also hosts the Saturday night Player’s Party). Pages **1** & **2** provided a detailed map of Tournament Central and page **10** highlights each Vendor Booth. The Schedule of Events are listed on pages **20**, **22** & **24**, Contests & Fun Activities listed on pages **28** & **30**, and an Overall Map is provided on pages **55** & **56**.

WELCOME FROM THE SPONSORS

As detailed on pages **48, 50, & 52**, over \$300,000 has been donated by almost 90 individual sponsors. A majority (43%) is in goods, about a quarter (26%) is in actual cash, 10% is in media, 6% in partnered sales, 6% in cost savings, 4% in items borrowed (like baskets), 2% in staff, 1% in credit, and 1% in supplies, and the remainder in other services.

Our Title sponsor, Innova Champion Discs, makes up 42% of all the sponsorship value. Our Course sponsors, Factory Store and Infinite Discs, makes up 17% of the total value. The producer of the LVC, Jacquart Events LLC, totals 7% of the total value. Our Tournament Partner sponsors makes up 12%, our Jackpot sponsors makes up 10%, our Vendors makes up 5%, our Grand and Mini Event sponsors each make up 3%, our Ring of Fire and Flag sponsors make up less than 1%.

Almost 40 vendors will be selling at some time during the LVC. With the LVC being an Innova-centric event, only during the Saturday Fly Mart will you find competing manufacturer products.

The number of individuals and companies now supporting the LVC is just amazing. We hope you enjoy the next-level of the LVC experience, which continues to outdo itself year after year, due to this growing support.

The Disc Golf Pro Tour (DGPT) 2022 PDGA Elite Series schedule includes a total of 15 events; 12 regular-season events, 2 playoff events, plus the DGPT Championship...added to PDGA Major Tour schedule...creates a 20-event Pro Tour for 2022.

The 15 DGPT Elite Series includes:

- Las Vegas Challenge • February 24th – 27th**
- Waco Annual Charity Open • March 11th – 13th**
- Texas State Disc Golf Championships • March 25th – 27th**
- Jonesboro Open • April 22nd – 24th**
- Dynamic Discs Open • April 28th - May 1st**
- OTB Open • May 20th – 22nd**
- Portland Open • June 3rd – 5th**
- The Preserve Championship • June 24th – 26th**
- Idlewild Open • July 8th – 10th**
- Great Lakes Open • July 29th – 31st**
- Ledgestone Insurance Open • August 11th – 14th**
- Des Moines Challenge • August 19th – 21st**
- Green Mountain Championship (Playoff Event) • September 15th – 18th**
- MVP Open at Maple Hill (Playoff Event) • September 23rd – 25th**
- Disc Golf Pro Tour Championship • October 13th – 16th**

The 5 Pro Tour PDGA Majors includes:

- PDGA Champions Cup • April 13th – 17th**
- United States Women's Disc Golf Championship • July 1st – 3rd**
- European Open • July 21st – 24th**
- PDGA Professional World Championships • August 30th - September 3rd**
- United States Disc Golf Championship • October 5th – 8th**

The 2022 schedule is similar to the 2021 version. "This process is always challenging, and we prioritized sustainability and simplicity for 2022 as much of our focus went to securing our partnership and merging the tours successfully with the PDGA," said Jeff Spring, DGPT CEO & Director. "One focus was working backward to Emporia to allow ease of travel to the PDGA Pro Worlds, which has been scheduled on that date for over 10 months. We wanted to make it easy for players to get there."

Former National Tour Events, The Master's Cup, and the Beaver State Fling are set to be on the Silver Series schedule while discussions continue to include the Music City Open. The Delaware Disc Golf Challenge will not be a DGPT event in 2022 as they look to take a year off from elite competition.

A new addition to the DGPT schedule is a playoff format for the final two events, the Green Mountain Championship, and the MVP Open at Maple Hill. While final details will be announced, these events will stay normal stroke play events but see the field sizes reduced as the Tour blazes a path to the DGPT Championship. "I expect the men's field to be cut down to around 100 for the GMC and 80 when we get to Maple Hill, and the women's field to go from 50 to 40." Said Spring. "This will set the stage for a dramatic weekend in Leicester, MA to determine not only DGPT Points Champions, but the players who will qualify for the Tour Championship."

Once again, the Wildhorse Golf Course, established in 1958, the only municipal golf course owned by the City of Henderson, is proud to host the 23rd Annual Las Vegas Challenge disc golf tournament. After the success of last six events, improvements continue to be made to the two quasi-permanent disc golf courses on our property via Team LVC. If you didn't know, disc golf play is available year-round at Wildhorse!

Our 24-hole afternoon course, which incorporates four of the **Course Innova Factory Store** holes and most of the **Course Innova** holes, is available for play in the afternoon. Our 22-hole morning course, with tee times available from sunrise to half-an-hour after sunrise, incorporates many **Course Innova Factory Store** holes and **Course Infinite Discs** holes. When in town, please reserve a disc golf tee time by calling our Pro Shop at 702-434-9000 (Ext. 1).

Wildhorse is only one of three golf courses in the region recognized by Audubon International as an Audubon Cooperative Sanctuary – so please be careful of our wildlife and their protected habitat. Please note the local rules listed on pages **32 & 34**, some of which are extremely important to us.

If you are interested in playing a round of ball golf at one of our other locations (see page **13**) while visiting Las Vegas (at a LVC discounted rate, of course), please see staff in the Wildhorse Pro Shop. Good luck from Elite Golf Management and enjoy the event, our facility, and southern Nevada!

PLAYER EXPERIENCE

Although most of the media attention is focused on the DGPT Elite Series divisions...as it should be since the Open divisions represent the top men and women players of our sport...we want ALL players of the LVC to feel like our event is like no other. We are lucky that the Wildhorse facility has enough acreage to accommodate three premier courses, which allows three different pools to participate in the LVC at the same time. This is why we ask that all sponsor and partner assets remain in place throughout the entire event so each player can get a sense of what the tour card holders are treated to throughout the year. This is why we host combined pool-player parties so everyone can appreciate the vibe and excitement that happens at top major events. This is why all players can have a caddy so their best friend, parent, sibling, or fan can also experience what it kind of means to be an "elite." In turn, we hope each player and their caddy respects each other, the volunteers, the vendors, and media representatives so a sense of professionalism is felt throughout the LVC.

We peaked our player allowances at the LVC back in 2017 (around 570 players). We just can't accommodate any more participants without using additional courses, and everyone wants to play Wildhorse. So, the only way additional players can be added to the LVC/Wildhorse experience is to add another weekend to the event...which is likely going to happen in 2023. The precursor to the LVC, the Gentlemen's Club Challenge (GCC), was also hosted over two weekends when the event was hosted at Sunset Park and we outgrew the typical one-weekend format after 2009. Pamela Madrid, our Lead Volunteer Coordinator, said is best that if we stay stagnant and refuse to accept change, then eventually the event becomes just like all others...not as memorable as we want it to be!

SPECTATOR EXPERIENCE

Starting last year, all DGPT Elite Series events required the purchase of a spectator pass.

After participating in The Challenge at Goat Hill Park hosted in Oceanside, CA - another disc golf event held on a ball golf course - we learned how the cart paths were natural assets for spectator viewing and provided ample room for thousands to enjoy almost every throw. The last two pages of this caddy book includes a large map of where spectators are permitted, unless directed otherwise by tournament staff.

Additionally, with limited parking available at Wildhorse and on adjacent streets, an off-site parking lot has been reserved and a shuttle service has been hired for our spectators. The spectator parking lot (the only parking lot made available by the LVC for spectators) is located at **Central Church, 1001 New Beginnings Drive, Henderson, NV 89011**.

Shuttle Service will be as follows:

Monday – Wednesday: Shuttle (1) leaving the Church at the top of the hour starting at 8:00 AM and leaving Wildhorse at the bottom of the hour ending at 5:30 PM.

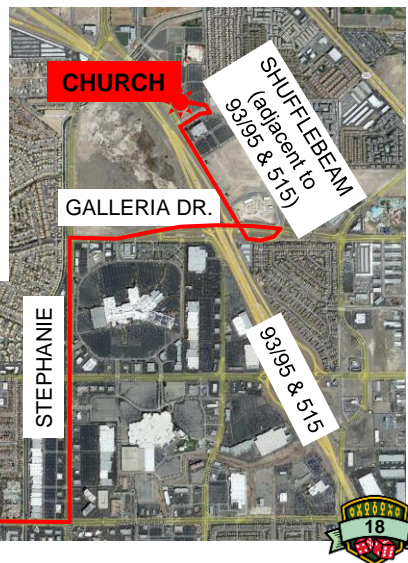

Thursday: Shuttle (2) leaving the Church at the top and bottom of each hour starting at 8:00 AM and leaving Wildhorse at the top and bottom of the hour ending at 8:30 PM (extended due to Factory Store sales starting at 6 PM).

Friday: Shuttle (2) leaving the Church at the top and bottom of each hour starting at 8:00 AM and leaving Wildhorse at the top and bottom of the hour ending at 5:30 PM.

Saturday: Shuttle (3) leaving the Church at the top of the hour and every 20-minutes thereafter starting at 8:00 AM and leaving Wildhorse every 20-minutes ending at 8:30 PM.(extended due to Event Party starting at 4 PM).

Sunday: Shuttle (3) leaving the Church at the top of the hour and every 20-minutes thereafter starting at 8:00 AM and leaving Wildhorse every 20-minutes ending at 5:30 PM.

(No shuttle service is being offered Saturday, 2/19 or Sunday, 2/20. Spectator parking permitted on-site only during these first two days.)

The hazard line is part of the hazard area. **(A disc landing on grass growing over a sand trap is in the hazard when 100% of the disc is on the hazard-side of the vertical plane.)**

Pace of play rules still apply. Any open and visual possession of any product banned under the smoking policy will be treated as a courtesy violation, and violators will be asked to put away the product until after the round has concluded.

Teeing Areas - The teeing area is defined by the area bounded by the edges of the provided tee pad (the artificial turf). When in use, Teeing Areas are in-bounds.

Two Meter Rule - Not in effect for all courses, all holes.

Water Areas - Water areas are defined as the point where the water and the roots of the grass meet (unless marked by rope). The out-of-bounds line is a vertical up-and-down plane. The out-of-bounds line is part of the out-of-bounds area. **(A disc landing on grass growing over water is out-of-bounds when 100% of the disc is on the O.B.-side of the vertical plane.)**

Zero Tolerance - Any inappropriate activities will be dealt with immediately.

- Remain at least 20 meters (66 feet) from competitors, all DISCatcher targets in play, and the greens.
- Make every effort to maintain positions on the course that do not interfere with competitors or tournament play. Competitors and/or LVC staff may request you to reposition at their discretion.
- Remain completely still when in close proximity to any competitor who is in the process of lining up or executing a throw.
- Avoid being in direct sightline of players. This may sometimes be unavoidable, particularly around the putting area. Competitors and/or LVC staff may ask you to move.

Estimated LVC Payback – Elite / A-Tier Summary

- Minimum \$20,000 Added Cash. (\$15,000 to Elite, \$5,000 to A-Tier.) **Note that additional cash is expected to be added to meet PDGA payback requirements (or another \$10,000 to the Elite Pool), but due to very high spectator accommodation costs (over \$45,000) and low spectator pass sales (as of the printing of the Caddy Book), a very conservative payback was estimated for printing.**

Squatch was founded with the singular goal of creating the most durable, functional, and stylish disc golf equipment for players of all skill levels.

My father and I found disc golf in 2016 and became immediately obsessed. After playing for a couple of years we started to notice our disc golf bags were falling apart, and they lacked many of the features we felt should be standard for any disc golf bag. So with our combined experience designing and manufacturing custom bags and cases for major companies all over the world, we set out to use those skills and create the best disc golf backpack on the planet. Every bag we make is designed with you in mind. Our passion for the sport is matched only by our passion for creating legendary products for our customers.
