DISTANCE DRIVER

Innova Team Champion's Anthony Barela

Distance Drivers are at the pinnacle of golf disc design. They offer players more distance off the tee than other types of golf discs. Beginners may find Distance Drivers more challenging to control. Proper technique is useful to get the most flight out of these discs.

Benefits

- Deliver maximum distance off the tee
- Our widest selection of models offers a disc for every player's skill level
- **Boss** holds the World Distance Record of 1108 feet (338 meters)
- For courses with water hazards, we offer floating drivers including the **Wahoo**, and any Blizzard or Star model under 140 grams floats too

FAIRWAY DRIVER

Innova Champion Team's Calvin Heimburg

Fairway Drivers are designed to offer players more accuracy than Distance Drivers without sacrificing too much distance. These are used when keeping the disc on the fairway or green is more important than maximum distance.

Benefits

- Deliver dependable distance control for consistent, accurate driving
- Valuable disc for shorter, controlled drives and long approaches
- Easier for beginners to throw than Distance Drivers
- Help to increase confidence through added control and consistency
- **Leopard** should be everyone's first Fairway Driver

MID-RANGE DISC

Innova Star Team's Jessica Weese

Mid-Range discs are great for all types of shots. Mids are often recommended for your first golf disc. They tend to be easier to use and have a forgiving nature. Players who can master the Mid-Range can carve up a wooded course.

Benefits

- Designed to provide accuracy and control for mid-range, approach shots and short to medium length drives
- Consistent flights for hard to navigate sections of the course
- **Roc** is the Mid-Range disc of choice for competitive players
- The **Atlas** uses our unique in-mold process, giving it one of the straightest flights available

PUTT & APPROACH

Innova Star Team's James Conrad

Putt & Approach discs fly true at low and medium speeds, which is highly desirable when putting. These discs are also great for approaches and short drives. The quickest way to lower scores in disc golf is mastery of your Putter.

Benefits

- Dependable, accurate and inspires putting confidence
- Ideal for controlled upshots, short drives and "go for it" shots
- Available in a variety of different models and plastics to match unique putting styles and grips
- The **Aviar** is the most popular golf disc ever produced

GLOW
DX plastic made to glow-in-the-dark. Some players like the slightly textured feel of Innova’s DX Glow plastic while others simply want to play disc golf in the dark!

PRO
Innova’s Pro plastic is manufactured using a unique blend of plastics. Pro plastic is designed to add grip and glide. It is found in fairway & distance drivers.

XT
Innova’s XT is a durable, firm plastic that has good tactile feel in the hands. Long lasting wear even on rugged courses means you’ll get more rounds out of an XT disc.

R-PRO
Innova’s R-Pro is softer for the best all-condition grip and improved feel. R-Pro is the best choice for cold weather and has a softer feel and more flexibility.

KC PRO
A stiff blend of plastic formulated for grip and reduced wear. Tough and stiff, Innova’s KC Pro plastic is designed to wear slowly over time. Top pros rely on the performance of KC Pro.

2018 World Champion

As a distance driver, the Roadrunner is known for superior glide, making it a great finesse driver. Experienced throwers rely on it for long turnover shots and rollers. The Star Roadrunner is the signature disc of 2018 PDGA World Champion, Gregg Barsby.

Gregg on the Roadrunner: *"It's great for hyzer flip shots through the woods, that long glide at the end off the flight will hold a line. For rollers there isn't one disc I would recommend over the Roadrunner. It's the best."*

FIRESTORM

Speed	Glide	Turn	Fade
14	4	-1	3

If you're looking for maximum distance, grab the Champion Firestorm. Blast it at speed 14 and watch it sail down the fairway. This ultra high speed driver is fast and semi-stable. Some would describe as a "faster, beat-in Destroyer." Works equally well for backhand and sidearm throws.

CORVETTE / SPRING 2019

Speed	Glide	Turn	Fade
14	6	-1	2

When thrown with power, the Corvette will take off like a rocket before the natural glide takes over to send it waaaay down the fairway. Significant fade allows you to trust the finish, so don't hold back! You'll be amazed by the speed and glide of our newest distance driver; there's nothing faster!

DISC FLIGHT CHARACTERISTICS

Each disc uses a unique airfoil design that will react differently when thrown.

Red flights (●, ●, & ●) will require more power or advanced technique to achieve full flight. These are only recommended for experienced players or windy play.

Green flights (●, ●, & ●) are better for newer players, these discs are more forgiving and will fly farther with less effort.

Orange and yellow flights (● & ●) are our straightest fliers in their speed category. These are discs designed for controlled flight in most conditions.

APE

Speed	Glide	Turn	Fade
13	5	0	4

The Ape can handle the raw, primal power of disc golf's biggest arms. Extremely fast and stable, the Ape is a must-have distance driver for windy conditions and sharp doglegs. Sidearm drivers will appreciate the Ape's resistance to intense torque.

Players want a putter that feels comfortable in the hand and delivers a consistent stroke. The XT Bullfrog has a natural, easy-to-release grip in a putter designed for aggressive styles. Attack the chains with confidence knowing the Bullfrog's minimal glide and wind-fighting ability keep it on target. The chain-grabbing XT plastic enhances the feel and has the durability players expect in a go-to putter.

DISC FLIGHT
CHARACTERISTICS

Each disc uses a unique airfoil design that will react differently when thrown.

Red flights (●, ●, & ●) will require more power or advanced technique to achieve full flight. These are only recommended for experienced players or windy play.

Green flights (●, ●, & ●) are better for newer players, these discs are more forgiving and will fly farther with less effort.

Orange and yellow flights (● & ●) are our straightest fliers in their speed category. These are discs designed for controlled flight in most conditions.

AVIARX3

Speed	Glide	Turn	Fade
3	2	0	3

The newest member of the Aviar family is a serious fighter. The AviarX3 is the most overstable among its siblings. This is Innova’s most overstable Aviar model to date. The AviarX3 is ideal for headwind upshots and drives. AviarX3 is extremely torque-resistant. It has more high speed stability than the Aviar3.

The Aviar came out in 1984 and forever changed the game of disc golf. It has been a favorite for 35 years for a reason – It offers the purest flights on the course and has the perfect feel and flight for putting excellence. Look no further for the number one Putter in disc golf. Aviar is our most popular disc having won more World Championships than all other Putters combined.

DISCATCHER® PRO 28

The DISCatcher Pro is installed on more disc golf courses than any other brand. The DISCatcher Pro was designed to be highly visible on the course and catch putts and aces like a boss. Each DISCatcher Pro has a 28 chain assembly featuring 14 outer chains and 14 inner chains. More chains provide improved “catchability”. The basket tray features 14 spokes and an extra stabilizer ring adding rigidity while improving disc containment.

The DISCatcher Pro represents the state of the art in disc golf target technology. It is a favorite of parks departments and course professionals — **For the last 12 years the DISCatcher Pro has been chosen more than any brand for new course installations.**[†] The bright yellow band improves visibility from the tee and also distinguishes the disc golf course to other park visitors.

The DISCatcher Pro has always represented the state of the art in disc golf target technology. The Innova DISCatcher Pro is the best catching and most visible disc golf target.

The DISCatcher Pro was designed to improve scoring from near and far. There is no better choice for players.

BUILD A BETTER MOUSETRAP...

The DISCatcher® Pro was redesigned to catch better than ever. We added more chains and reinforced the basket tray. Great putts stay put.

HIGH VISIBILITY TARGET TOP

Our powder coated target top makes the DISCatcher Pro highly visible. All stainless steel construction makes it long-lasting and low maintenance. Available in yellow, red, white or blue, starting in June 2019.

BUILT TO LAST

Hot-dip galvanized basket, pipe and chains allow our targets to weather the elements for years. Our target tops are made entirely from stainless steel.

28 LAYERED CHAINS CATCH BETTER

14 outer chains and 14 staggered inner chains – Three layers of chains catches more shots. Players want more putts to stick. Our new configuration catches more putts.

INSTALLATION TUBES INCLUDED

Don't pay extra! DISCatcher Pro permanent target prices include locking collars and installation tubes.

PDGA “CHAMPIONSHIP” APPROVED

DISCatcher Pro permanent and portable models have received Championship certification by the PDGA. It is ideal for all levels of tournament play.

ANATOMY OF A DISCATCHER®

Target Top – Visible and Durable. Its construction is all stainless steel. Each target top is also powder coated bright yellow to provide great visibility on the course.

Chains – Made to catch discs and withstand abuse. 28 strands of galvanized 2/0 chains. (14 outer chains and 14 staggered inner chains engineered to catch better)

Basket – With 14 spokes and an extra ring for structural support. 10” deep basket helps prevent discs bouncing out. Galvanized 3/8” steel rod construction.

Redesigned basket tray helps keep good putts in.

Pole – Our hot-dip galvanized 74” pole is made with sturdy 1/8” walls. Pre-drilled for target top, basket, and collar hardware.

Locking Collar – Hot-dip galvanized finish. Securely fits over pole and is mounted with tamper resistant screws.

Installation Tube – 24” long hot-dip galvanized steel tube. Provides a snug fit for the target at PDGA approved height. Aligns with locking collar for security.

DISCATCHER® PRO 28 PORTABLE

The Pro 28 Portable has all the features of the Pro 28 Permanent, but with a galvanized base making it transportable. It is the ultimate portable target. Four main parts allow you to set it up and take it down easily. The target top and base fit nicely in the basket for storage. PDGA approved for tournament play at all levels.

INNOVA COURSE DESIGN - TRUST THE DISC GOLF EXPERTS

Good disc golf course design, simply put, provides lasting value. That's easily seen as players return year after year to a course filled with challenge and memorable holes. However, a well-designed course has more than just cool disc golf holes.

Taking into account safety, land conservation, future course needs, and cost control, an ideal course can coexist with its surroundings and be a self-sufficient asset. A good course will not only be embraced by local disc golfers but also by the greater community.

The Innova Course Design Team has decades of experience in good design and we can refer designers to help with any phase of your project.

SUPPORT AT EVERY LEVEL

We want to make more disc golf possible at every level. That's why we back today's biggest events like the PDGA World Championships, the US Disc Golf Championship, the US Women's Disc Golf Championships, and Europe's finest action. But we also provide sponsorship, equipment, and guidance to local start-up tournaments, which are just as important to building the game.

WHETHER IT'S YOUR FIRST OR YOUR 100TH

We want to help you serve the disc golf enthusiasts in your area, both seasoned players and new players experiencing the excitement of competition for the first time. Innova's Player Pack program offers amazing deals on tournament entry packages to comply with PDGA sanctioning agreements or just to give your players cool merch for supporting your event.

RUNNING AN EVENT: THE BASICS

No matter the size of your event, we can tailor our resources and know-how to fit your needs. Wondering how to run an event? Here are a few main points to help get you started:

1 PURPOSE

What type of event do you plan on running? Is it a small local affair? A club championship? Or maybe a charity event like Throw Pink or the Ice Bowl? Figure out the type of event you want to run. It helps to know your audience and what they are used to.

2 REGISTRATION

Processing player registration and event fees early and smoothly is crucial to setting an event in motion. DiscGolfUnited.com provides an advanced online registration system that is simple to use and free to setup, making your life much easier.

3 FUNDRAISING

Every event could use some extra dough, and through Innova's Custom Fund Raising (CFR) – you can do that while providing sweet custom discs to your disc golf community. For additional support, seek out area businesses to be hole sponsors or donate supplies and food.

4 MERCHANDISE

From leaderboards to banners to prizes, they're all in our warehouse ready to make your event that much better. We want to be your turnkey solution for all your tournament needs. Call us for our latest Player Pack deals.

WE CAN HELP YOU RUN EVENTS

Innova has been helping tournament and event directors since our inception in the early 80s. Whether you are running your first event or your 100th, Innova has products, supplies, and services to help things go smoothly. Definitely ask about our players packs to boost your player value and attendance.

SPONSORSHIP SHOPPING CART

Qualified events that complete a custom hot-stamp order become eligible to receive bonus event sponsorship at no additional cost. Innova issues SSC credit based on the size of your event custom order. Events then use the SSC credit to hand pick additional prize merchandise.

*CFR price supported discs are not eligible for SSC credit.

PORTABLE LEADERBOARD

This compact, tri-fold leaderboard is a must have tool for any tournament or league. It measures 4' tall – 2.5' wide when opened and 9.5" wide when closed. It is lightweight, portable, and convenient. Made from durable denier polyester. Featuring: 3 rigid internal backboards, metal grommets for hanging, reinforced double stitching, rubberized footer, card slots for 18 holes of 5 players. Supports 90 players.

CUSTOM DISCS

Never underestimate the power of branding. With Innova custom discs, you can brand your event/club/company on the #1 brand of discs in the game. Our Custom Disc department can take just about any image you cook up and bring it to life on your favorite Innova disc or on special models not available anywhere else.

Custom Discs are often used for fundraising and publicizing disc golf events, clubs, and new courses, but their value doesn't stop there. From corporate logos to commemorating birthdays, weddings, and other functions, Custom Discs can put whatever you want to say front and center. And years later, your friends or clients will still be throwing and talking about them.

HOT-STAMPED DISCS

Your personalized design is stamped hot-and-fresh at our warehouse. We've perfected hot stamping through millions of stock discs over the years. Ask about our wide range of foil colors which can range from straight-laced to party-time!

RETAIL BRACKETS & FIXTURES

Whether you have a small or large section to give to your Innova inventory, our disc racks are the easiest way to present your selection to customers. Our waterfall brackets can hold up to 12 discs each, and allow buyers to browse for their disc of choice without removing all of the discs displayed in front of it.

Each bracket has a faceplate designed to fit a placard for that particular model or type, all available to download and print straight from our website.

I-FRAME DISPLAY ISLAND

Designed to stand alone and allow for 360 degrees of disc golf retailing. Loaded with up to 24 12-disc racks and 12 6-disc racks, this display packs in the profit per square foot. Comes with everything to set up a serious disc golf presence.

Innova I-Frame Display island can display more than 300 golf discs, bags, accessories, and more.

GRIDWALL DISPLAY

With space for 144 discs, this stand-alone display has room for 12 brackets, plus space underneath for bags or disc golf sets. We can even stock it with a great selection of golf discs if you are just starting to carry Innova's line of disc golf products. Call a sales representative today to find out more about this great deal on your first Innova order.

Innova Gridwall Display can display up to 144 golf discs. Space for bags or starter sets below.

Sabattus Disc Golf has a large Disc Golf Pro Shop on site along with three courses designed for different skill levels. They created a unique shopping experience that works well with Innova's Gridwall Brackets.

GRIDWALL DISPLAY SOLUTIONS

If your store has gridwall fixtures, or you are looking for a two sided display that is flexible either on the wall or as an island, gridwall panels can provide a lot of flexibility. Our Gridwall brackets are designed to mount on either side of a sheet of gridwall. We'll work with you on the cost of our brackets so you have space for your inventory.

We offer 6 and 12 disc brackets designed to hold any of our golf discs, allowing for a well organized waterfall of discs on each bracket.

BRACKET PLACARDS

If you want to customize each bracket by disc model, plastic, or disc type, we've got you covered. You can find printable placard PDFs on our website. Just go to **Downloads > Retail > Display Placards**.
